Classroom Project: Tissue and Sanitizing (Clorox) Wipes

**THANK YOU for each DONATION & your faithful SUPPORT for 21 YEARS!**

**From 1 student in 1998 to 1009 students in 2018!**

Also in 2018, each of our 368 Classrooms, K-12, received 2 boxes of Tissue and 2 Containers of Sanitizing Wipes during the first year for the “**Classroom Project**”. Thank you! These items are essential and much appreciated to help limit flu and other sickness absences.

Our goal is to continue to expand this assistance in addition to continuing to provide supplies to individual students. **Could you sponsor a classroom through a monetary or supply collection as an individual or group (church, business, etc.)?**

When everyone works together, much will be achieved.
