Imagine summer soccer in Tanzania – with a mission to empower young girls. Or squad time perfecting your French with croissants in a magical Parisian park. What if summer outside meant reforesting mangroves and tracking endangered birds in Costa Rica?

Your CIEE summer abroad could be any of these. Choose from 50+ adventures rooted in language, service, or intriguing topics like filmmaking or marine science. Set out for three or four weeks of hands-on learning, eye-opening group excursions, and fun activities that deeply immerse you in local culture, and seize a summer you'll never forget.

“I had the best summer ever! Not only was I able to immerse myself into another culture, language, and country, but I also created friendships with amazing people.”

– Jazmin F., Ferrara, Italy, Global Navigator alumna

**CONSIDER A SCHOLARSHIP**

CIEE’s competitive Global Navigator scholarships help over 1,200 high school students like you study abroad each summer. If you’re a U.S. citizen or permanent resident, a current freshman, sophomore, or junior in a U.S. high school, and have not previously accepted a Global Navigator scholarship, you’re eligible!

Students can qualify for one of two types of scholarships. *“Merit Only” scholarships* award 10% off tuition to students with outstanding academic performance. *“Merit and Financial Need” scholarships* award from 10 to 100% off program tuition. Airfare is not included.

**DON’T MISS OUT!**

Small-sized groups are part of what makes the CIEE experience special. It also means our most popular programs fill fast!

If you are not relying on a scholarship, make sure to complete your application as soon as possible to secure a spot on your favorite program. Applications without scholarships are reviewed on a rolling basis.

**Priority scholarship deadline:** Submit on or before this date for the best chance of getting a scholarship. We award 80% of our scholarship funds to applicants who meet this deadline.

**Final scholarship deadline:** Last chance! Applications received on or before this date are eligible for our remaining scholarship funds.

If you are applying for a “Merit Only” scholarship, you can pay your deposit before the official deadline to secure a spot on your favorite program.
### Language & Culture

**Dive into a new culture and see your language skills skyrocket. On average, our participants learn in four weeks as much as they do in a whole year of high school.**
