**New Service**

PYLUSD fosters a culture that promotes the health, safety, and well-being of students, staff, and families. In an effort to continuously support this commitment, the District has approved an agreement with [CareSolace](#).

CareSolace is an online resource meant to assist individuals in finding local **counseling-related services**. CareSolace takes into account all types of private insurance, as well as Medi-Cal, Medicaid, and Medicare when generating a list of referrals. If uninsured, CareSolace will also identify nearby care providers that allow individuals to pay out-of-pocket for services.

CareSolace is now available for use by families at no cost. If you are interested in seeking counseling-related services at this time, please visit [www.caresolace.com/PYLUSD](http://www.caresolace.com/PYLUSD) to begin.
