

Dear Carlisle Middle School Families:

CMS has grown the past five years and we are now the biggest we've ever been with around 560 students enrolled! Such that, in order to improve the traffic flow at CMS, we've revised both the busing and student drop off/pick up locations. Please see the below visual that details this change. The road between CMS and staff parking has been named **Carlisle Way** and is now the Drop Off/Pick Up location for students while the back area, **Wildcat Circle**, is for busses during the listed times.

Please note that Carlisle Way is now a **one-way** so parents/guardians will please need to use **Bluestem Drive** (by Subway) to enter CMS. Also, in the name of safety, please do not use any restricted areas including staff parking for dropping off/picking up students as we do not want students crossing Carlisle Way during the busy morning or afternoon times. As we well, to keep traffic flowing and to avoid any back-up, as much as possible please always pull up towards the end of the **Drop Off/Pick Up Zone**.

Thank you for your cooperation and CMS is looking forward to the upcoming 2019-20 '20 school year!
