

State Mandated Screening Examinations

It is important that your child maintain a healthy lifestyle because a child who does not feel well will have little or no interest in school.

The following screening examinations are STATE MANDATED SCHOOL HEALTH SERVICES.

GRADE	SCREENING/EXAM
Kindergarten	Vision, Hearing, Height, Weight, BMI, Physical Exam, Dental Exam
Grade 1	Vision, Hearing, Height, Weight, BMI
Grade 2	Vision, Hearing, Height, Weight, BMI
Grade 3	Vision, Hearing, Height, Weight, BMI, Dental Exam
Grade 4	Vision, Hearing, Height, Weight, BMI
Grade 5	Vision, Hearing, Height, Weight, BMI
Grade 6	Vision, Hearing, Height, Weight, BMI, Physical Exam, Scoliosis Screening
Grade 7	Vision, Hearing, Height, Weight, BMI, Physical Exam, Scoliosis Screening
Grade 8	Vision, Hearing, Height, Weight, BMI
Grade 9	Vision, Hearing, Height, Weight, BMI
Grade 10	Vision, Hearing, Height, Weight, BMI
Grade 11	Vision, Hearing, Height, Weight, BMI, Physical Exam
Grade 12	Vision, Hearing, Height, Weight, BMI

Parents will be notified of any abnormal findings obtained during school screenings. Please contact the school nurse if you have any questions. Physical and dental exams can be performed at school free of charge with your signed consent; however, if you elect to have a private physical or dental exam performed on your child you must have the appropriate forms from school completed and returned to the school nurse.
