Director
Pupil Services/SELPA

Dear Prospective Staff Member,

Have you ever visited the Sierra Nevada region? Would you like to do so? What if the Sierra Nevada *was* your workplace, your home, and where you enjoy outdoor recreation?

Plumas County Office of Education and Plumas Unified School District are located in Plumas County, in the Northern Sierras. We offer pre-school and K-12 education at our elementary and high schools in Chester, Greenville, Quincy, and Portola. It's a wonderful place to live. The elevation of our communities varies from 3500 feet to 4500 feet.

We are looking to recruit and retain the most talented, student-centered staff and invest in their professional growth. We want to ensure that all employees strive to be and do their best each day, giving what they would want for their own children and family. We are committed to providing an exemplary education, providing diverse opportunities, and accepting no limits on the learning potential of any child.

Our mission is to collectively inspire every child, in every classroom, every day. Envision yourself as a part of our team, where the focus is that all students will graduate from high school with academic and social-emotional skills, prepared for continuing education and career opportunities. We continually strive to engage and enhance family and community partnerships, home-to-school connections, and the establishment of our schools as community centers.

Our population is small, and our aspirations are great. Being able to live and play in beautiful Plumas County while earning a living, and carrying out the mission, vision, and strategic goals of our district, could be a dream come true for you.

Check us out at our website: www.pcoe.k12.ca.us. Follow us on Facebook and Twitter.

Looking forward to you becoming part of our team!

Terry R. Oestreich
Superintendent
Plumas County Schools
