## March Student of the Month

Hello, my name is Riley Michael Murphy and I am very grateful to be Student of the Month. I was born in Lake Havasu City on September 4, 2001 to my mom, Nancy C. Murphy and My father, Kevin Murphy. My mom works for the La Paz County Sheriff's Office as a 911 Dispatcher and my dad works as a Licensed Vocational Nurse (LVN) at the La Paz Regional Hospital. My dad is going to online college to become a Registered Nurse (RN). We lived in Lake Havasu for a couple years and then moved into an apartment on Rio Vista in Big River. After a few years, we bought a house in Big River and lived there up until now. I was raised very traditionally. I always respect my elders, treat people the way I want to be treated and I was taught the benefits of discipline. When I was in elementary school, I used to goof off and not get my work done on time, a far cry from what I am now. I have my parents to thank for me getting my act together. One example is when I was eight and my parents and I were at a swap meet and my dad was looking at some tools. I was always taught when we go into any store, the number one rule was "Don't touch." So, I tapped my dad on the shoulder and said "Daddy, don't touch." My dad looked at me with a proud smile. Without their teachings and lessons, I wouldn't have become the straight A student I am today. My plans after high school are to keep working at Spanky's RV and Marine.
