Bike Safety Day

2nd, 3rd, 5th Grades Monday, February 11, 2019
4th Grade Tuesday, February 12, 2019

Students in Grades 2-5 are invited to participate in a bicycle skills course and learn about bike safety. Students are encouraged to bring their bike or scooter and helmet to school on their appointed day. The class will be held during student's P.E.

The Bike Skills and Safety course will include:

- Helmet Fit Check
- Bicycle Inspection Station
- Rules of the Road
- Skills Course

NOTE:

All 2ND-5th grade students will watch Helmet and Bicycle Safety Videos and receive a bike education booklet.

Those who choose to bring their bikes or scooters and helmets will have the opportunity to participate on the Bike/Scooter Skills and Safety course.

RSVP by clicking the link below if your student(s) will be bringing their bike or scooter and helmet to campus.
