Ranking

The grade point average at Randolph High School is based on a 100-point scale. Transcripts reflect a weighted GPA. The criteria for identifying the highest ranking student shall be calculated from each student's earned grade average from grade 9 through the third nine week grading period of grade 12. High school credit awarded in middle school is exempt from rank calculations. All other courses except dance team, cheerleading and physical education shall be included in the calculation for class rank.

Students receive 8 additional points toward the calculation of grade point average upon successful completion of courses identified as Advanced Placement, Dual Credit/Enrollment, and International Baccalaureate.
