Gifts to School Personnel

Gifts from Students

The Governing Board believes that feelings of appreciation can be expressed in many ways. The Board discourages students and parents/guardians from giving gifts to staff members, and instead encourages them to write personal notes of appreciation. When accepting gifts, staff should be sensitive to the feelings of other students and use discretion when opening the gifts in front of others.

Gifts from Vendors

District employees shall not accept any gift, commission or expense-paid trip from individuals or companies doing business with the district. The district may reject bids from vendors who offer such incentives.

District employees who work for or serve as consultants for potential vendors shall not participate in evaluating any equipment, materials or services of that vendor or of its competitors.
