

## Christian Service Program

### Faith in Action

2019-2020

The purpose of the Christian Service Program is to enhance the religion curriculum at Guardian Angels Church. It is the duty of all Christians to reach out in service to those around them. Christ asks us to be His hands and feet on earth, keeping His mission of reaching out to those in need alive. The students will complete their service within the following settings: at home, the parish community/school and the community at-large. This outreach may be completed individually, with a partner, or in a group.

Guardian Angels Christian Service Program is set up differently this year. This program will focus more on the meaning of the actual service opportunities rather than completing a prescribed amount of time. You will choose activities for each component—service to your family, service to your school/parish and service to the poor and vulnerable in our community. There is no minimum requirement of hours to complete. **Grades 1-3 are required to complete at least 2 activities for each component; grades 4-8 at least 3 for each.** You are certainly encouraged to complete more! There are numerous suggestions on the attached sheet in which the students may volunteer their time in service to others. This list is by no means a complete list. Feel free to add any other organizations.

Use the back of this sheet to account for your service. This sheet will be due to your Religion teacher on May 1, 2020.

Please keep in mind that the G.A. Servathon day, may NOT be used towards this service project, since you are completing this in place of schoolwork. Also, any tasks you perform for which you receive a stipend, or allowance for, may not be counted.

Service for this program is to be completed between May 31, 2019 and May 1, 2020.

May God bless you always and in all ways!
