

# Parent Resource Areas

## What are Parent Resource Areas?

- Designated places for parents to access materials to help their child succeed.

## What is provided in the Parent Resource Areas?

- A variety of books, brochures, pamphlets, parent newsletters, and flyers designed to help parents with assisting their children in being successful in all of their academic achievements.
- Copies of the school's compact and plans printed and available to parents.
- A computer with internet access.

## Who would be available to help if parents/guardian has any questions or concerns?

- The school's Parent and Family Engagement Facilitator or an Administrator

## When is the Parent Resource Areas available?

- The Parent Resource Areas are available to parents during school hours (from 7:00-2:25).
- Special arrangements may be made available if Parent Resource Areas are needed at other times. (Please see the school's Parent Engagement Facilitator or Administrator).

## Where is the Parent Resource Area located?

- The Parent Resource Area is located in the front lobby.

## What is required to use the Parent Resource Areas?

- Obtain a visitor's pass from the front office with a request to use the Parent Resource Area.

**If you have any questions, concerns, or suggestions please see the school's Parent and Family Engagement Facilitator.**
