

PTO OPT-OUT PROGRAM

Dear Cranbury School Parents,

We would like to thank our Cranbury School families and teachers for a very successful 2017-2018 school year. Because of your generous donations, the PTO was able to raise **over \$7,000** through the Opt-Out Program.

The Opt-Out program enables us to reduce and/or eliminate small fundraising efforts for the students throughout the school year. Funds donated through this program go directly into the school and are used during the year to benefit and enrich your child's educational experience.

Based on the success that we have received with the Opt-Out Program, we are once again offering this opportunity for the 2018-2019 school year.

With your help, the PTO and the Opt-Out program will continue to:

- Support cutting edge technology programs.
- Provide equipment for the school such as outdoor play area improvements, books and needed materials for classrooms.
- Sponsor field day activities, staff appreciation, guest speakers and class holiday parties.
- Organize multiple student assemblies throughout the year featuring well-known authors, cultural experiences and character building exercises.
- Host fun family events like the Trenton Thunder outing, pumpkin carving night and spaghetti night.

Your contributions will allow us to continue to provide the financial support for all the various activities and events throughout the year. Remember that 100% of your tax-deductible contribution will go directly to the PTO for use in the school. Please consider donating what your budget allows and help us reach our goal of 100% participation from all Cranbury School families!

Thank you for the support!

Yes, I'd like to make a direct contribution to the Cranbury School PTO and opt out of the third-party fundraising programs. Please make checks payable to Cranbury School PTO.

\$100 **\$75** **\$50** **\$25** **Other**

Please understand that the "Opt-Out" option is separate from the annual membership dues collection. Once again, the suggested donation to "Opt-Out" is \$25 per family, but we encourage any amount that your family can afford to give — 100% of the collected money will go directly to the PTO for use in the school.
