

Appendix D—Accountability Glossary

Accountability Subset: The collection of assessment results that are used to determine district and campus accountability ratings. Only assessment results for those students enrolled in the same district/campus on both the snapshot date (the last Friday in October) and the testing date are used to determine district/campus performance.

AEC of Choice: An AEC that provides accelerated instruction to students at risk of dropping out of school. At-risk students enroll at these campuses specifically to expedite progress toward performing at grade level and completing high school.

Alternative Education Accountability (AEA): The specific provisions by which the performance of alternative education charter schools and campuses is determined and accountability ratings are assigned. AEA is comprised of a modified graduation rate component calculation in the Student Achievement domain and modified cut points across all domains. AEA charter schools and campuses are not evaluated on School Progress, Part B.

Alternative Education Campus (AEC): A campus at which at least 75 percent of students are considered at risk of dropping out of school and at least 50 percent of students are enrolled in grades 6–12. Campuses must register each year to be considered AECs evaluated under AEA provisions.

Asylee/Refugee Exclusions: Assessment results of students identified as unschooled refugees and/or unschooled asylees are not used in assigning ratings during their first five years in U.S. schools. To qualify as an unschooled asylee or refugee, both of the following criteria must be met:

- The student must be identified as limited English proficient (LEP) as defined by state law in Texas Education Code (TEC), Section 29.052 and must participate in a state-approved bilingual or English as a second language (ESL) program.
- The student’s permanent record must contain appropriate documentation of asylee/refugee status. The student must
 - be an asylee as defined by 45 Code of Federal Regulations, Section 400.41 or a refugee as defined by 8 United States Code, Section 1101, and
 - have a Form I-94 Arrival/Departure record, or a successor document, issued by the United States Citizenship and Immigration Services that is stamped with “Asylee,” “Refugee,” or “Asylum.”

For more information on qualifying as an unschooled asylee/refugee, visit <http://tea.texas.gov/student.assessment/ell/lpac/>.

- did not perform satisfactorily on an assessment instrument administered to the student under TEC Subchapter B, Chapter 39, and who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument;
- is in prekindergarten, kindergarten or grade 1, 2, or 3 and did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;
- is pregnant or is a parent;

- was previously reported through the Texas Student Data System/Public Education Information Management System (TSDS PEIMS) to have dropped out of school;
- is a student of limited English proficiency, as defined by TEC §29.052;
- is in the custody or care of the Department of Protective and Regulatory Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;
- is homeless, as defined by 42 U.S.C. Section 11302, and its subsequent amendments; **or**

Campus: A school that is operated by a charter school or school district.

Campus Comparison Group: A set of 40 campuses that most closely match a campus in eight categories. Campus comparison groups are used to award distinction designations. Please see Appendix E for further details.

Charter School: An entity that controls and is responsible for a campus or campuses that has/have been granted a charter under TEC, Subchapter D, Chapter 12.

Continuously Enrolled (Campus): For grades 4–12, a student is identified as continuously enrolled if the student was enrolled in the campus on the TSDS PEIMS fall snapshot during the current school year and in the same district each of the three preceding years. For grade 3, a student is identified as continuously enrolled if the student was enrolled in the campus on the current year TSDS PEIMS fall snapshot and in the same district each of the preceding two years.

If the enrollment requirement is not met, then the student is considered non-continuously enrolled.

Continuously Enrolled (District): For grades 4–12, a student is identified as continuously enrolled if the student was enrolled in the district on the TSDS PEIMS fall snapshot during the current school year and each of the three preceding years. For grade 3, a student is identified as continuously enrolled if the student was enrolled in the same district on the current year TSDS PEIMS fall snapshot and each of the preceding two years.

If the enrollment requirement is not met, then the student is considered non-continuously enrolled.

Current Special Education: A student is identified as a current special education student if the student receives special instruction and related developmental, corrective, supportive, or evaluative services for the current school year as reported in TSDS PEIMS and on STAAR answer documents.

Data Integrity: Refers to the quality of the data used to determine an accountability rating. The integrity of data can be compromised either through intentional manipulation or through unintentional errors in data reporting. If data integrity is in question, it may not be possible to determine a reliable rating.

Disciplinary Alternative Education Program (DAEP): A system of instruction provided in a setting other than a regular classroom, that is located on or off a regular campus, that provides for the educational and behavioral needs of students, and that provides specialized supervision and counseling for its students. DAEPs are not assigned accountability ratings. The attendance and performance results of a student in a DAEP are attributed to his or her home campus.

Distinction Designations: Recognitions for campuses that are ranked in the top 25 percent of their campus comparison group in academic growth and closing the gaps and for academic achievement in English language arts/reading, mathematics, science, and social studies. Postsecondary Readiness Distinction Designations are awarded to both districts and campuses.

District: A campus or group of campuses that is operated by a board of trustees or other similar governing body. It includes both charter schools and traditional independent school districts.

Economically Disadvantaged: The count and percentage of students eligible for free or reduced-price lunch or eligible for other public assistance as reported on the TSDS PEIMS fall snapshot. A student is reported as economically disadvantaged on the TSDS PEIMS fall snapshot using codes 01, 02, or 99:

Ever EL (EL [Ever HS]): Students reported in TSDS PEIMS as ELs at any time while attending grades 9–12 in a Texas public school.

Former Special Education: Students are identified as formerly receiving special education services if in any of the preceding three years, they were reported in TSDS PEIMS as receiving special instruction and related developmental, corrective, supportive, or evaluative services, but in the current year, as reported through TSDS PEIMS and on STAAR answer documents, are no longer participating in a special education program.

Juvenile Justice Alternative Education Program (JJAEP): A disciplinary alternative education program (DAEP) operated under the authority of a county juvenile justice board. JJAEPs are not assigned accountability ratings. The attendance and performance results of a student in a JJAEP are attributed to his or her home campus.

Minimum-Size Criteria: A benchmark that sets the fewest number of performance results that must be available in order for those results to be used to assign accountability ratings. The minimum-size criteria vary by indicator.

Public Education Grant (PEG): A state-wide program that permits parents with children attending campuses that do not meet specific performance criteria to request that their children be transferred to another campus within the same district or to another district. House Bill 22 (85th Texas Legislature) changed the criteria for identifying PEG campuses: those that receive an *Improvement Required* rating in both the Student Achievement domain and the School Progress domain in August 2018 will be on the 2019–20 PEG List. Please see TEC, §29.201–29.205 and “Chapter 9—Responsibilities and Consequences” for more information.

Registered AEC: A campus registered for evaluation by AEA provisions that meets the 11 registration requirements, 75 percent at-risk enrollment criterion, and 50 percent grades 6–12 enrollment criterion. This term includes AECs of Choice and DRs.

Residential Treatment Facilities (RTF): Live-in private centers and programs or detention centers and correctional facilities operated by the TJJD that provide educational services. The performance results of students in a residential treatment facility are excluded from state accountability ratings if appropriate TSDS PEIMS student attribution codes are submitted. Please see “Appendix G—Inclusion or Exclusion of Data” for more information.

School Type: A specific label given to a campus for the purposes of determining its domain targets. The label a campus receives—elementary, middle school, elementary/secondary, or high school—is determined by the grades served by the campus as reported in the fall TSDS PEIMS enrollment snapshot.

Small Numbers Analysis: A process to determine if a rating is appropriate for small districts and campuses that do not meet minimum-size criteria using current year data. For more information about small numbers analysis, please visit the 2018 accountability webpage at <http://tea.texas.gov/2018accountability.aspx>.

Texas Student Data System/Public Education Information Management System (TSDS PEIMS): TSDS PEIMS is the software application for the state's Public Education Information Management System. LEAs load, validate, and submit their data to TEA via TSDS PEIMS.

Uniform Average: The result of a calculation that aggregates current- and prior-year performance results for districts and campuses that do not meet minimum-size criteria. For more information, please see the small numbers analysis resource on the 2018 accountability webpage at <http://tea.texas.gov/2018accountability.aspx>.
