

Student Supply List

APEX 2018-2019

Here is a basic school supply list for all students K-12. Please check your child's backpack regularly to make sure that they have an ample supply of pencils and paper. **Some classes may require additional supplies (see below).** We will keep most classroom supplies at APEX instead of having students bring them back and forth. Each family has been assigned something to contribute to these community supplies. Any brand names that are requested are recommended but not required. Thanks!

Each family should bring a medium to large plastic bin labeled with the family's name. This will function as your children's "locker" and will be taken to/from APEX each week.
