

Welcome to Fifth Grade!

A new year brings on new experiences, new friends, new teachers, iPads, and so much more. We will begin getting to know each other on the first day of school.

Here is a list of fifth grade supplies that you may want to purchase:

- ✧ Headphones (please, no ear buds) for the computer lab (available at the Dollar Store)
- ✧ Colored pencils
- ✧ 3 black dry erase markers and eraser (an old sock makes a great eraser)
- ✧ Scissors
- ✧ 2 boxes of facial tissues
- ✧ Backpack for transporting books
- ✧ Pencil bag or box (if the box is too large, it will not fit in the desk.)
- ✧ A container of Antibacterial Surface Wipes
- ✧ 3 Jumbo (or 6 small) glue sticks
- ✧ 2 spiral notebooks (70 page count – wide ruled)
- ✧ 2 composition books (black and white cover)
