Fernando Award Foundation

Graduating High School Student Scholarships

Once again, the Fernando Award Foundation is offering scholarships of \$1,000.00 to a select number of students from local public and private high schools that serve the San Fernando Valley.

The application is attached and needs to be submitted by each individual no later than April 28th 2019. The applications will be reviewed by the selection committee and recipients selected by May 9th. We like to make the presentations to the students at each school's senior awards night.

The driving criteria for scholarships are a variety of involvement by the student in various programs either school and/or community programs.

Thank you in advance for your participation in this program.

Sincerely,

Bruce Miller
Scholarship Chair
