August 16, 2019

Linden High School families,

I hope that you have received the 2019-2020 orientation information packets. If you have not, please visit the Linden High School website and click any of the scrolling photographs on the homepage for access.

With our inclusion of more online components to orientation this year, I wanted to begin providing additional information and clarification, especially with completing required electronic signatures. **Parents AND students will be required to log into their ParentVue and StudentVue accounts to provide electronic signatures for the following documents:**

1. High School Parent/Student Handbook Form
2. High School Acceptable Use Policy Form
3. High School Athletic Emergency Information Form
4. High School Athletic Handbook Form
5. Concussion Form

The Athletics acknowledgement forms are required to be electronically signed by all parents and students. Those NOT participating in Athletics will click “NO” to advance through the process, all others will click “YES”. Once all of the required signatures and acknowledgements are completed, you will have access to ParentVue and StudentVue.

- **For those that already have an active account, please make sure that you are using the same username and password used to set-up your account. Entering an altered username will elicit an invalid username response. Please reference the screenshot included for assistance.**
- **For those that do not have an active ParentVue or StudentVue account you will be required to activate them to successfully complete the orientation process.** For assistance in activating your account, please call or visit the high school's main office between the hours of 8:00 am - 3:00 pm.

All electronic signatures are required prior to student orientation. In addition, an updated and signed Student Profile must be returned at student orientation on August 26th in order to receive student schedules.

Sincerely,

Darin Dreasky
Principal

Learning. Creating. Succeeding.
