

Upper Allen World Expo Event

Upper Allen Families,

One of the strengths of Upper Allen Elementary is the diversity of its students and families. It may surprise you to learn that the parents of Upper Allen students are native to over 15 different countries speaking at least 10 different languages! Students have grandparents or great grandparents who migrated from lands far away. In addition, many students have ancestors who have lived in the US for many generations and still retain some of the traditions native to a particular country. Having such a diverse student population helps our students to value and gain appreciation for others who may look, talk or dress differently from them or their family.

We are planning a special day on Friday, January 18th called The Upper Allen World Expo. The goal is to help our students learn about countries and cultures from around the world. We would love for them to hear from you about your own culture. Can we count on you to help us?

If you have interest in helping students to learn about a country please complete the form below and return to school with your child. You will then be contacted with a list of others who have chosen the same country. It is not necessary for you to be a native of the country to help out. If you are able to help, please return this paper by Wednesday, December 12th.

Name of Country: _____

Your Name: _____

Child's Name and Grade: _____

Please check the ways you would be willing to help:

- Prepare Food
- Serve Food
- Wear/Display Clothing
- Pictures/Posters
- Decorations/Artifacts
- Other (Explain on back)
- Play an Instrument
- Game for Students to Play
- Craft for Students to Do
- Set Up a Booth
- Help with another country if needed
