**“PA PUBLIC SCHOOLS: SUCCESS STARTS HERE”  
January Is School Director Recognition Month**

Every January, Norwin School District takes time to celebrate and recognize the challenging and vital work that its school directors do on behalf of Norwin students, families and community.

School directors volunteer an average of 10 hours each month to board work, which includes adopting policy, voting on budgets, approving curriculum changes, choosing textbooks and reviewing hiring decisions.

At the Board’s Regular Meeting in January, Superintendent Dr. William Kerr led a presentation to honor the Norwin Board of Education for School Director Recognition Month. Dr. Kerr (assisted by Student Board Representative Nicholas Markovina) gave each Board member a certificate of appreciation, and members of the audience read statements thanking Board members for their service to the School District.

Hahntown Elementary School students presented the Board with school ornaments, and K-6 students made Norwin Knight keychains for the Board members. Members of the audience read statements of gratitude for Board service and for helping to make the Norwin School District a premier school district based on tradition and community pride with commitment to excellence.

The Members of the Norwin Board of Education have a combined 79 years of service.

---
