- Section 3 The Farmer Pride Band and its membership shall help promote school spirit for school athletic functions; they shall help promote pride for various school activities such as concerts and graduation; and they shall help promote civic and community pride for the city of Farmersville.

## Article II - Membership

- Section 1 Membership in the Farmer Pride Band is open to students in Farmersville High School given director approval.
- Section 2 The tryout material for membership in the band may include but may not be limited to the following:
- Wind players: The memorization and performance of four major scales (Bb, Eb, F, Ab). Octave considerations will be commensurate for the range of each instrument.
  - Wind players: The memorization and performance of a one octave chromatic scale appropriate to the instrument.

- Section 3 Active membership in the Farmer Pride Band will be continuous unless removal from band has been determined by other factors. (See Article V and Article VI).
- Section 4 Any student wishing to participate in marching band must be enrolled in the course.

Section 5 In the event of two performing concert bands, the following factors will apply to determine placement in either band:

- Attendance at all previously required activities.
- Eligibility for the previous grading periods
- Any outstanding past discipline issues
- Musical audition

Section 6 Any student who drops band second semester WILL NOT be allowed to participate in marching band the following year. The only exceptions to this will be a student enrolled in marching band as “Colorguard only”(does not have any previous experience playing an instrument), an unavoidable schedule conflict, or director discretion.

### **Article III - Scholastic Eligibility**

Section 1 UIL rules and regulations shall be followed and enforced for eligibility and participation in the various activities involving the Farmer Pride Band and the missing of class during the regular school day. These do not always involve UIL sanctioned events.

Section 2 Failure to maintain an “eligible” status causes a scholastic detriment for the student and results in problems for the band as an organization; therefore, continued ineligibility according to the state’s “no pass, no play” rule may result in removal from the band program.

Section 3 Removal from band due to continued failing of class subjects will be considered when:

- The student fails the same class three times consecutively;
- The student fails two or more classes in the same grading period;
- The student fails two consecutive six weeks grading periods, but different subjects, and upon checking with both teachers, the student’s problem stems from lack of effort or lack of turning in homework materials.

Section 4 Members are expected to participate in all performances and/or competitions except when scholastic eligibility (no pass/no play) prevents their attendance. Exceptions for personal or family illnesses/emergencies will be considered as necessary.

Section 5 If a student is academically ineligible per UIL guidelines, that student will NOT be allowed to participate/perform in any band activity outside of the school day including: games, contests, concerts, parades, evening pep rallies, etc. Performances that take place in district during the school day are allowed.

Section 6 All playing grades are based on a “pass-off” system. A successful pass-off will result in the grade of a 100 for that assignment; an attempted pass-off

will result in a lower grade no greater than a 90(or below). Any required music which has not been attempted for pass-off will result in a failing grade for that assignment. Pass-offs may be done in person for a director, or recorded and submitted to the director electronically. Examples of electronic submission of a pass-off include but are not limited to: email, flash drive, dropbox, text, youtube link.

#### **Article IV - Uniforms and Appearance**

- Section 1 Marching performance uniforms and marching hats are provided by the Farmersville Independent School District; black band shoes and black socks will be provided by the student.

  - A designated band t-shirt will be worn at Friday pep rallies and under the band uniform, and at any other time deemed necessary by the director.
- Section 7 General appearance.

- For practices and rehearsals, whether during regular school hours or during after school hours, the school dress code of the Farmersville ISD will be in effect and enforced.
- Visible jewelry will not be permitted during all marching performances.
- Students must wear their hair inside their hat during all marching performances.
- During performances, the appearance of the Farmer Pride Band will be the rule; nothing may be worn that will detract from the student's appearance as a member of the band, including caps, hats, jackets, etc.
