

(PRINT Student First & Last Name) _____
Math Class Period _____

I have read the math brochure to my parents and completed the **SCAVENGER HUNT** questions on the back. When I have any further questions I will refer to this brochure. After reading this brochure I understand the guidelines for **Mrs. Choate's Math** class.

- Be sure to **LOG** into **INFINITE CAMPUS** now. Also please get the **APP** on a parent's phone & student's phone. This is one of the best ways to stay informed of your **GRADES**.
- Save Mrs. Choate's Email now. lchoate@hartdistrict.org
- Find Mrs. Choate <http://www.arroyosecojuniorhigh.org/>
- Sign up for **REMIND** message about important reminders in Math this year!

Please be sure your child does some type of practice or studying before a test/quiz!! Go to Mrs. Choate's google classroom for Math **TUTOR** videos and extra review.

- When a student is absent please contact me on or before the absent dates. I will do my best to inform you of the lessons they will miss. It is the **STUDENTS** responsible to pick up the make-up assignments. The student will need to schedule a time to make up a tests or quiz at **NUTRITION** or **LUNCH** time. They will need to talk to me personally about this.

Please feel free to contact me as often as you need to. It takes a village of people to raise a child and an army to get them through junior high. So let's work together to make this a successful year for your child.

It is going to be a great year.

Mrs. Lise Choate
