There will be a sign-up sheet where you can fill out your information. In addition to this, you **MUST** turn in a parental consent form. These will also be located in Room 707 and must be returned before the day of the blood drive. Please

note that without this form you will not be able to participate in the event. Students who choose to participate in the blood drive must be above 16 years of age and must not violate any restrictions (please see
