

## Options for Online/Dual Credit Courses

**TxVSN ( Texas Virtual School Network)** | **Price Varies** - Online Course that works in partnership with Texas public school.

**University of Texas** ([www.utexas.edu/ce/k16](http://www.utexas.edu/ce/k16)) | **\$245 Per semester course**– Online high school courses. Once you are on the website you will choose high school course. You will register and take care of everything on your own, though your counselor will need to proctor your midterm and final. Once you are ready for the midterm or final, follow the instruction provided by UT. You will contact your counselor to schedule exams.

**Texas Tech** ([www.depts.ttu.edu/k12/programs/high-school](http://www.depts.ttu.edu/k12/programs/high-school)) | **\$225 Per Semester Course** - Online high school courses. Once you are on the website you will choose high school course. You will register and take care of everything on your own, though your counselor will need to proctor your midterm and final. Once you are ready for the midterm or final, follow the instruction provided by Texas Tech. You will contact your counselor to schedule exams.

**UT Permian Basin Dual Credit Program** ([www.utpb.edu/academics/dual-credit/index](http://www.utpb.edu/academics/dual-credit/index)) | **\$100 Per credit hour** (a three-hour course will cost \$300) - You can receive both college and high school credit through these online classes. You will register and take care of everything on your own, though your counselor will need to proctor your midterm and final. Once you are ready for the midterm or final, follow the instruction provided by UT Permian Basin. You will contact your counselor to schedule exams. **\*\*Must be TSI complete\*\***

**Victoria College Dual Credit** ([www.victoriacollege.edu/dualcreditearlyadmission](http://www.victoriacollege.edu/dualcreditearlyadmission)) | **\$250-\$270 Per Course** - You can receive both college and high school credit through these online or face-to-face classes. You will need to complete the steps for admissions. You will take your midterm and final at Victoria College, either with your professor, or in the testing center. There are dual credit scholarships that you can apply for which will cover some of the cost. You can contact the College and Career Coach, for more information. **\*\*Must be TSI complete\*\***

\*\* Prices are subject to change

\*\* Please seek approval from your counselor, prior to paying, to ensure you are enrolled in the correct course for high school credit.
