

Building Momentum: Creating a System of Excellence

Dear Parent or Guardian:

We are pleased to inform you that McComb School District is continuing the Community Eligibility Provision (CEP) for School Year 2018-2019.

What does this mean for you and your children?

Great news for you and your students! All enrolled students of McComb School District are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2018-2019 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application. Please note, any extra food purchases will come with a price, regardless of a student's status. If your child brings his/her lunch to school and wants milk, it is available for 50¢.

Please encourage your child(ren) to eat a healthy breakfast every day. Studies show that breakfast boosts energy, helps improve a student's concentration, helps a student get better grades, and helps maintain a healthy weight; and it tastes great!! Breakfast is available every morning at all schools until the bell rings for the start of the school day.

If we can be of further assistance, please contact us at 601-684-4661.

Sincerely,

Sue Ellen Coddling
