With the Days of Awe now behind us, hammers and banging abound; paper chains fill the baskets in the hallways as RZJHS prepares for Sukkot! Sukkot is known as *zman simchateinu*, the time of our joy. During this festival, we wish you time to head outside and take note of the natural blessings in our lives. The RZJHS E-News will run a special Sukkot issue next week and resume full coverage on October 12 after the holidays.
