

Philip Salemi, Superintendent

Superintendent's Corner - August

Dear District 92½ Community:

I hope you are enjoying your last weeks of summer break. I know the summer always seems to go by so fast, but we are excited to have you back. If you are new to our district, welcome to our District! If you are a returning student and family, welcome back!

I would like to take a moment to thank all of our parents and guardians who registered their students online this year. Online registration has been an option in the District for the last three years, but this year we enrolled all returning students exclusively online. I hope that the online resources were a helpful tool for you as you registered. At the time of this publication, we have close to 60% of our students registered. If you have not already done so, please make sure to register your child by August 3. Our registration process this summer would not be a success if it were not for all of the work of our school secretaries, principals, Officer Verber and our District Staff. They are all working to ensure that every registration is processed in a timely manner. Be on the lookout the week of August 13 for classroom assignments and student schedules.

Summer is always busy for our Maintenance Team. Our custodians perform a deep cleaning of each of our schools to ensure that our buildings are looking their best when students walk in on the first day. When you see our school custodians, please take a moment to thank them for their tremendous efforts.

Below are some important dates and events for you to know. I encourage you to check our District website (<https://www.sd925.org>) and the individual school websites frequently.

- August 3 - Registration deadline for returning students
- August 8 - WPS Kindergarten Bus Orientation
- August 20 - Teacher Institute Day (No school for students)
- Please note no registration will be accepted August 20 through August 22
- August 20 - Meet-and-Greet-with-a-Treat, 5:00 p.m. - 7:00 p.m.
- August 22 - First Day of School (ALL GRADES)

In closing, our school district and staff are committed to your child's education. We look forward to working with each family to ensure that we are meeting your child's needs. We are ready to take on the journey for this 2018-2019 school year! If you have any questions or concerns, please reach out to me via email (psalemi@sd925.org) or by cell (708-670-1927).

Sincerely,

Philip Salemi
Superintendent
