LAUSD and City of LA Workforce Development Partnership

The Workforce Innovation and Opportunity Act (WIOA) is designed to help job seekers with barriers such as low-literacy and low income access employment, education, training, and support services to succeed in the labor market. WIOA Navigators are co-located at 10 DACE Schools and 12 City of Los Angeles WorkSource Centers. These Co-located LAUSD employees are co-funded by DACE and the City of Los Angeles Economic and Workforce development Department to assist high barrier worksource center clients to enroll in and complete career pathway programs at DACE schools.
