July, 2019

Welcome Students and Parents/Guardians:

As we start the 2019-20 school year, I would like to welcome you to Galt High School! We are looking forward to working with you to make this year an exciting learning experience for your entire family.

We have a few exciting changes for the upcoming school year. First is the opening of our new Warrior Stadium, we will have our first home football game August 23rd at 7pm, a Varsity only event. We also began the construction of our two story STEM building in June. Students need to be aware of the construction zone and we have highlighted it on the map in this welcome packet. We are looking forward to opening this building for the fall of 2020 and thank you for your patience in the progress of growth and modernization. We are building a campus preparing your student for success outside of high school. Our goal is to ensure your student graduates with the skills, motivation, curiosity and resilience to succeed in his or her choice of college and career.

This year we will undergo our school accreditation process under the auspices of the Western Association of schools and Colleges (WASC). This process is an ongoing cycle of assessment, planning, implementing, monitoring, and reassessment of curriculum-driven criteria for high school. It is an exciting and challenging endeavor, and I strongly encourage your feedback and suggestions in this process. The involvement of parents and family members at home and in the classroom are essential factors to student success in school. Ensure that your child attends school daily, on time and is ready to learn.

Enclosed you will find Emergency and the Warrior Spirit Wear Informational Pages and the GHS campus map. Please read the subsequent Quick Reference Guide, and keep it as a reference throughout the year.

Once again, we welcome your family and look forward to working together to ensure that all students have access to the optimal education they deserve. As you entrust us with your student's future this year, rest assured that our doors are always open to listen and act upon any suggestions or concerns that you may have.

Sincerely,

Kellie Beck
Principal
