Dear Parents and Guardians,

This school year Stephenville High School is offering the ASVAB Career Exploration Program to sophomores, juniors and seniors. According to the ASVAB Career Exploration Overview Guide, “The ASVAB Career Exploration Program provides high quality, career exploration and planning materials at no cost to high school students throughout the country. The ASVAB Program helps students learn about themselves and potential occupations in line with their skills and interests. Most importantly, the ASVAB Program encourages students to explore a wide variety of careers, rather than limiting their exploration by telling them what they can or should do.”

The ASVAB Career Exploration can be completed in 3 easy steps:

1. Take the ASVAB Test on November 26 at Stephenville High School
2. Participate in the ASVAB Follow-Up on January 10 at SHS
3. Explore Career Clusters using the OCCU-Find System on the student’s own time

Students interested in participating in the ASVAB should complete the bottom portion of this page and return it to the SHS Counseling Center by November 16.

Sincerely,

SHS Counseling Department

ASVAB CAREER EXPLORATION REGISTRATION

Student Name: _____ Grade: _____

_____ Yes, I would like for my student to participate in the ASVAB Program on November 26 at SHS.
