Re: **Algebra Keystone Exam**

May 14, 2019

Dear Parents and Guardians of Students Currently Taking Algebra,

Next Monday and Wednesday students enrolled in Algebra will be taking the Algebra Keystone Exam. If you have a student receiving this letter, they are scheduled to participate in this assessment. The schedule is listed below. We have posted general information about this testing on our website. Please visit **nkasd.com** to view the following documents, Frequently Asked Questions, Code of Conduct for Test Takers, and Guidelines for Electronic Devices. If you have questions about the Keystone Exams or the rules governing them, please feel free to contact me at (724) 337-4536.

Finally, we would like all students to perform to the best of their ability on these state assessments and we need your help. In order for them to perform well, I ask that they be well rested, eat a healthy breakfast, and be at school by 7:15 during the days of testing. Thank you for supporting your child's achievement and growth!
