

Greensburg Salem School District Nicely Elementary School Parental Involvement

What is Title I?

Title I is a federally funded program that supports all students in reading and mathematics to reach their full potential.

Why is Title I important to my family?

Through Title I services, teachers are able to provide support to any child at any point in time who may need additional instruction in reading or math.

What do we believe as a Title I team?

- We believe parents are the first teachers of their children and are encouraged to take an active role in their child's education.
- We believe that all students learn best when school and home work together.
- We believe that communication between school and home is essential to the success of all children.

What is Parent Involvement?

- Assisting with academic activities at home
- Communicating with teachers and other school personnel
- Attending or volunteering for school events, PTO meetings, and parent-teacher conferences
