

Lumberton ISD Media Guidelines

Interviews

News media representatives must first check in with the building supervisor's office before proceeding to other areas of the District facility or through the designated gate.

Building principals or department heads may refuse access to media representatives on District property if their presence or behavior would be disruptive to the building environment.

Media Passes

Lumberton ISD does not issue media credentials to commercial photographers. Media credentials are intended for media purposes only.

Additional passes may be issued to the contracted school photographer, the yearbook staff, video technology students and other student groups as reviewed and approved by LISD.

Media Passes will be issued to qualifying organizations. Everyone in the media party must have a sideline Media Pass issued by Lumberton ISD or the visiting organization. All Media Pass holders will be required to present a valid Texas Driver's License upon application. All applicants may be subject to a background check via the Raptor school security system.

Media passes will only be issued to applicants who can provide valid credentials verifying their employment as full or part time employees/owners of a legitimate media outlet.

The Lumberton ISD, faculty members, school officials and students assume NO responsibility for the safety and security of sideline photographers, their associates or their equipment while on school property.

Failure to display the Media Pass may result in expulsion from the event at the discretion of the school official.

Media Pass holders must enter through the Designated Media Pass Ticket Gate (between the Girls' and Boys' Field Houses), identify themselves and be checked against a master list at that location.

Media Passes will not gain the holder access to the press box, score keeper's table, team bench, locker room or team transportation.

The issuance of a Media Pass is a privilege subject to revocation.

"I have read and received a copy of the Lumberton ISD Media Pass Guidelines and agree to the conditions described herein".
