Dear Ninth Grade Parents:

Welcome to our Titan Family! The staff at Pioneer High School is excited about our new 9th grade class and is looking forward to working closely with you to ensure their success. We are extremely proud of our ongoing effort to improve student achievement through our embedded support and PREP tutorials. Our goal is to prepare all of our students for college or other post-secondary training institution of their choice.

During this one-hour parent meeting, valuable information will be presented about our academic program, field trips, school calendar, school rules and other information families need to know about Pioneer and student success. In addition, we will be available to answer any questions or to explain any details about school programs. It is extremely important you attend one of the following parent orientation meetings in order for your student to receive their schedule of classes in the fall.

- Tuesday, July 23, 2019 at 6:00 p.m. in the library/media center
