

Good Afternoon Cougar Families,

Hope each of you are enjoying a restful weekend. I would like to wish Happy Mother's Day to all mothers and caregivers for our scholars. Caring for children is one of life's most rewarding opportunities. Your efforts at home help to make our work with your children more impactful.

Thank you all who were able to volunteer or contribute in any way for last week's Teacher Appreciation Week. Thank you for making the week so special for our staff! Also, thank you to everyone who was able to attend the Mother's Day concert performed by two of our classrooms. Our scholars appreciated the opportunity to perform for you.

Thank you to Ms. Blum for organizing Special Olympics student volunteers and thank you to all staff members and volunteers who helped our student athletes. There were many trophies that were earned by our students.
