

District 4 students head back to school

Addison School District 4 held its first day of school on Tuesday, August 21.

The District's students in grades 1-8 were welcomed back to their various schools with bubbles, cheering, high fives, a lot of excitement, and a little bit of rain.

On the first day of school, Army Trail School third graders head back to the classroom after enjoying some recess time outside.

Students arrive bright and early on the first day back to Indian Trail Junior High School.

It's in the bag!

Walking through a cloud of bubbles, these students tote big bags of supplies as they head back to Lake Park School to start a new school year.
