

March 20, 2020

Good Evening Rowland Unified Families:

This is Superintendent Julie Mitchell. The safety and health of our students, staff and community are the utmost importance and we are here to help our community during these unprecedented times of uncertainty.

Late yesterday, the Los Angeles County Board of Supervisors enacted a Safer at Home order to stop the spread of COVID-19. This requires the closure of all nonessential businesses and for all of us to avoid nonessential errands and practice social distancing. This order is currently in place until April 19, 2020 or further notice. As a result, the Los Angeles County Office of Education has recommended that Los Angeles County school districts continuing the student dismissal from school until Tuesday, May 5. Therefore, Rowland Unified is planning to extend our student dismissal until Tuesday, May 5.

Rowland Unified will continue providing learning opportunities and valuable services to our children during the student dismissal. Please check your school's website for student learning information. We will continue to provide Free Meals-To-Go for all children 18 and under at selected school sites from 11 AM to 1 PM Monday through Friday. (please note children must be present). For the latest information, please continue to visit our District website at www.rowlandschools.org.

While our school locations and District Office are physically closed, our staff is working remotely to support our students, staff and community. We miss our students immensely and want to make sure you have access to reach us if needed. For questions or support please use our hotlines.

Our RUSD Parent Information Hotline: is (626)854-8549

Monday – Friday, 8 AM – 4:30 PM

For Technology Assistance Call (626) 854-8543

Monday – Friday, 8 AM to 8 PM

Including if you need access to a device for your student.

We will continue to keep you informed with the latest information. Thank you for your patience during this trying time, stay healthy and we look forward to seeing you soon.
