HIGH SCHOOL  
FRANK J. BOMMARITO CAMPUS

## Distance E-Learning

### **Student Expectations**

E-Learning will begin on Tuesday, March 24<sup>th</sup>. We will be keeping our A & B day schedule. Tuesday, March 24<sup>th</sup> is an A-day. ***In order for e-learning days to count for the school year, students must complete assignments and activities that are assigned on e-learning days.*** The school building will be open from 8:00 – 2:00 daily with limited staff presence. If you need to see anyone in particular, you will need to contact them for an appointment.

- Parents should set up a designated study space for their son. The workspace should be suitable for working throughout the day as well as facilitate the use of internet and possibly video conferencing with teachers.
- Students must check their St. Mary's email **daily**. Students will need to use their email to communicate with teachers and support staff.
- Students will need to log attendance by 8:00 am daily. Students will receive an email each morning with an attendance form that they will need to complete by 8:00am. (Seniors with senior study will need to post attendance by 9:20 on their senior study day.) We will preserve late start Wednesdays; on Wednesdays, students will need to post attendance by 10:00.
- If students do not receive the attendance email, they should email Mrs. Todd at [toddv@stmaryshs.com](mailto:toddv@stmaryshs.com).
- Attendance will be tracked by daily attendance submitted by the student through the Attendance Google Form & by daily work completed online.
- If a student is sick & cannot complete work that day, a parent must call the school at 314-481-8400 x. 0 or email Luann Polette at [polettel@stmaryshs.com](mailto:polettel@stmaryshs.com).
- Each teacher will post assignments daily by their class period. Students will need to complete daily class assignments by 6:00pm. Teachers will be posting all assignments on Google Classroom. In addition, they may be utilizing other online resources to facilitate class activities.
- Students will be required to complete assignments for the classes that are “meeting” on specific A-day (periods 1-4) or B day (periods 5-8). If a student does not complete the daily assignments & activities, he will be considered absent.
- GoGuardian will still be active during school hours. Teachers will continue to use GoGuardian, especially during assessments and lesson activities that are happening at specific times.
- If a student needs more time to complete an assignment, he will need to communicate with his teacher **before** the assignment is due. Students will need to make up any work that is missed.
- Teachers will be available during their regular class time & during Academic Lab: 1:50pm-3:00pm, unless the teacher is conducting a video conference class.
- Students & Parents will need to check their grades online regularly. Contact Kate Harden if you need login information: [hardenk@stmaryshs.com](mailto:hardenk@stmaryshs.com).
