Summit Academy Bluffdale

Director's Message

Dear Administration, Faculty, and Staff,

As an LEA, we are excited to invite you to our second annual community forum. Many of you may not have been aware of last year's forum as we were still experimenting with the platform. This year, we have expanded our invitation to include our entire Summit Academy community of faculty and staff as well as our parents and older students. Please review the attached flyer and consider attending one of the scheduled forums. Lastly, please feel free to share with older students and advertise to your families in your regular classroom communications. You could even print one and put it on your door or a bulletin board. They begin next week.

I look forward to seeing you there!

Mr. Tyler Whittle
Executive Director
