## Ben Hazel Primary Students Receive Supplies

Mrs. Jessica DeLoach's pre-kindergarten class at Ben Hazel Primary School recently received book bags filled with supplies from the Coca Cola Consolidated Company. They would like to send a special thank you to Mr. Eric Van Hurst and Coca Cola Consolidated Company. (Pictured at the right are Mrs. Jessica DeLoach, Mr. Eric Van Hurst, Mrs. Brandy Noll, Mrs. Geneva Kirkland, Mrs. Elise McDaniel, and students.)

## Hampton One Improves Facilities

Students in Hampton One were met with school facelifts and facilities improvements as school began. Thanks to the planning of the School Board and Superintendent Dr. Ronald Wilcox, walkway canopies, bathroom renovations, painting and other repairs were completed over the summer. The School Board has a prioritized list of needed improvements and will continue to implement these as capital improvement building funds become available. Pictured at the right is the newly tiled floor and painted hallway of Fennell Elementary School. Pictured below is the newly painted entranceway of Brunson Elementary School.

**21st Century Community Learning Centers** for afterschool programs for grades 3 - 12 will open in September. If you have not received an application, contact your child's school. An enrollment application and a transportation application must be completed. For more information, contact Mrs. Rhonda Willis at 803-903-1009 or [rlwillis@hampton1.k12.sc.us](mailto:rlwillis@hampton1.k12.sc.us).
