Volume #2

September 6, 2019

## NewsFlash

By John Wilber

Congratulations on another successful week! Fillmore High School students and staff continue to build on our great start. Our ASB students will be busy preparing for Homecoming 2019 on September 27<sup>th</sup> and students are working hard to ensure they have the best grades possible when the first progress period ends Friday, September 13.

Our hot weather provided a challenge all week and we are looking forward to more moderate conditions next week. Thanks to our incredible maintenance staff for their quick response to air conditioner problems.

Thanks to all the parents and family members who attended Back To School Night on Wednesday. Parents followed their student's schedule and were presented information by the teachers about the topics covered and expectations for the course. We were also treated to a great concert by the Fillmore High School Band under the direction of drum major George Mooridian. We look forward to hearing more from the band throughout the year.

## Fillmore's Finest

**Teacher: Mrs. Maroney** – she's always nice and helps all her students.

**Staff: Steven Osuna** – he's a great aide and always helps out even when he does not have to.

**Students: Cesar Aparicio** – starting out the school year on the right track and completing all the work.

**Eilene Perez** – she's an incredibly hard worker who always strives to succeed.

## Classroom Corner

We are excited to report that the installation of thirteen Smart Boards in classrooms around campus is underway. The Smart Board is a cutting-edge technology interactive high resolution screen that enhances the way students learn. It can provide students with an enriched learning experience by projecting visual elements. It also makes differentiated learning much easier because teachers are able to accommodate different learning styles. The touchscreen option allows teachers to run programs with the tap of their finger. This

makes it not only makes it easy to navigate for the teacher, but for the students as well. In addition to that, a student's learning experience is enhanced by this technology because of its ability for students to view diagrams, charts, videos and more, right on the huge screen in front of them. Their learning comes to life, and many students find it more fun to learn than ever before.

## Athletics Flashes Football

Video Production will be live streaming tonight's Varsity football game on YouTube: <https://www.youtube.com/fillmorevideoproduction>

## Tennis

## Volleyball

## Athletes in Action

Jazmine Chavez – Cheer

Maddie Davis – Cheer

Jared Schieferle – Football

## ASB Activities

By Darby Schieferle

ASB has started preparations for Homecoming (HOCO). The next few weeks are going to be extremely busy with our HOCO Dance on 9/21/19 in the GYM. We then start Float building from Sunday 9/22- Wednesday 9/25 at the Bus Garage.

Everyone should stop by to see how much work goes into the float. The Parade is on Thursday starting at 6:30 starting at Fillmore High School and ending downtown.

The last event for HOCO is the halftime show on Friday, September 27, 2019 where the Grand Marshal and Court are presented to the community during the football game.
