Dear Godwin Graduate,

As a previous recipient of scholarship funds provided by the Golden "G" Scholarship Fund committee, you are eligible to renew your scholarship up to a total of five years. In order to complete the renewal process recipients will need to complete the next steps.

The following three items are what we require. If they are not included you will not be asked to resubmit. Without these three items, your application will be null and void.

1. Please fill out the original Golden "G" Renewal Scholarship application form.
2. Please provide proof of college enrollment and your transcripts from previously completed years of post-secondary education.
3. Please forward your application, previous year's transcripts and proof of continuing enrollment before the application due date to:
