

# Construction Projects Update

January 2020

# Ridgeline High School

January 2020

# Stadium Area

The footings you see here are the foundation for the home stadium.

# Gym Wall

The gym walls are approximately 20 ft high on the north and east side and are starting to come up on the south side as well.

## Gym Wall (2)

Close up of the split face CMU being used at the gym.

# Classroom wing

The steel that you see up on the site is the classroom section that is closest to the Commons area.

# Classroom Wing

The metal is down on the second floor for the concrete slab and you can see the roof joist are being placed as well.

# The Tunnel

This tunnel creates a pathway under the school for utilities. This section of the tunnel will be under the commons.

# Rock Piles

All of the rock you see here was created on site and will be used for the construction of the new high school. We will not be importing rock for this project which is a large cost savings.

# Horizon Middle School

January 2020

# North-West Addition

This shows the new classroom addition that has been built onto the North-west corner of the building.

# South West Addition

This is the south-west addition. Administrative area on the first floor and classroom space on the second floor.

# Stairs

New stairs from the commons to the second floor hallway.

# Second Floor HAllway

New hallway connecting the north wing to the south wing.

# New Classroom

This is one of the new classroom spaces above the administrative area.

# Main Hallway

This is the main entrance area from the administrative area into the commons.

# Computer lab

This is the view from the hallway  
outside the second floor computer lab.

# Windows and Doors

This picture shows how the window and door system will look in most classrooms.

# BEHIND THE FENCE SNEAK PEEK

The construction workers are leaving the gates open and we are sneaking in for an "unofficial tour" of the Horizon Middle School construction site...

## Horizon Middle School

3915 S. Pines Rd.

Thursday, January 16 • 4:00pm

Please join us at the gate for your VIP PASS to get onto the site starting at 4:00 p.m. until the sun goes down. Spread the word and join us for your one opportunity to see what is going on "Behind the Fence" at Horizon! Watch your bond dollars at work!

## Let's Talk Construction

Central Valley School District • CVSD.org

# Riverbend

Start Date March 2, 2020

# Construction Layout

Jackson Construction is working on the layout for construction. The layout here allows the students to still use the playground and the fields for recess during construction.
