

March 18, 2020

Dear Westminster School District Parents and Guardians,

Thank you for your understanding and support during this rapidly changing COVID-19 situation. I hope you are all healthy and well. We are continuing to keep the health and safety of our students, staff and community as a top priority.

At this time, the Orange County Health Care Agency has advised the community that in order to reduce the spread of COVID-19, only essential activities are to continue. Therefore, Westminster School District will continue to operate under a skeletal crew with only essential services that are necessary until further notice.

Governor Newsom anticipates the possibility of school closures extending beyond Spring Break. Therefore, our school and district closure will be extended until April 17, 2020. Please note that this situation continues to change. We will make necessary adjustments as we follow state and local agency guidance and keep you updated.

What this means

- Our school and district office closure will now be extended until April 17, 2020.
- During the school closure, we will use distance learning to provide educational opportunities and engage students in academic activities.
- Links to online distance learning resources are on our district website under the Parents/Students tab. Additional information will be sent out by principals. They can be reached through email or school phone number.

Student Meals

- Student breakfast and lunch package "grab and go" will continue to be available at the five schools (Anderson Elementary, DeMille Elementary, Johnson Middle School, Stacey/Clegg School, and Warner Middle School)

As you can see, this situation is fluid and rapidly changing, please continue to check your emails and district website for updates as information will be posted regularly. Also, know that our teachers, administrators, support staff and I are sending lots of positive thoughts and best wishes to all of you during this time apart.

Sincerely,

Dr. Cyndi Paik

Superintendent

Westminster School District
