Board Honors Vejar Shining Stars

WALNUT, CA—In keeping with tradition, the Walnut Valley USD Board of Trustees paid tribute to a standout student and parent volunteer during the September 19 meeting.

Vejar Elementary fifth grader Scarlett Montoya received the Super Star Student Award.

As a Student Ambassador, she serves to reinforce the Vejar Values and models them as a shining example for friends and classmates, said Principal Whitney Prenger.

Scarlett is the author and actress of character education skits at school assemblies and is known as the inspiring voice during Project Wisdom morning announcements.

The standout student takes charge of her learning, follows the Golden Rule, possesses integrity, and gives 110-percent in all that she does.

“Scarlett is truly is a star who embraces academic challenges with grit, perseverance, a stylish bow, and a winning smile!” said Prenger.

Dedicated parent volunteer Alfred Bertulfo received the Partner in Education Award.

“Alfred has been one of Vejar’s most prized parent helpers for more than 15 years,” said Prenger.

He currently serves as an advocate for education on School Site Council, Community Club, classroom volunteer, track coach, and resident sound technician at assemblies.

“Alfred is a valuable member of the Walnut Valley community, a wonderful friend, parent, and partner in education!” Prenger said.
