Dear Students and Families of The Post and Hart @ Home,

In light of the recent district-wide school closures, we want to communicate with you our procedures going forward until the regular on-site school day resumes. Thankfully, our program is well-suited to offsite learning, and we anticipate a relatively smooth transition to this distance learning process.

Please read the following changes carefully as they apply to all classes with your teachers.

Effective Monday, March 16, 2020, the following guidelines will be in place:

- **All communication will be via email.** If you have a scheduled meeting with your supervising teacher, please send him/her an email that briefly states where you are in each of your subjects. Please reach out at any point if you have questions or difficulties.
- Students will follow the pacing calendar in Apex for each subject.
- Students taking General PE should continue to document their time. You can print a [log](#) from the school website or use lined paper.
- All CST's will be **unlocked** to facilitate unhindered progress.
- All TST's are **excluded** until the on-site school campuses reopen after spring break. (Yes, this is a **great time** to get ahead in all classes!!!)
- All Read, Study and Check-up assignments **will NOT** be required or collected.
- All Journal, Practice and Project assignments **are required** and must be submitted through Apex.
- Please see the [school website](https://1.cdn.edl.io/cAAEzVEuloZ6PJsMSdmoFcxSxmYROWRF5v42OKxKq1EevkCE.pdf) for instructions on how to submit work through Apex, if needed. <https://1.cdn.edl.io/cAAEzVEuloZ6PJsMSdmoFcxSxmYROWRF5v42OKxKq1EevkCE.pdf>
- All students who are taking Spanish: please follow the directions provided by your Spanish teacher with respect to spoken assignments.
- All necessary final exams will be taken once campuses reopen.
- Students at The Post taking book-based courses should continue working.

We expect all students to maintain good academic habits during this time, and look forward to seeing you all when we all get back to campus!

Below are the email addresses for each of your teachers.
