

K - 1st Grade

(Monday, Tuesday, Thursday, Friday)

Arrival 7:20 - 7:40	Every morning students arrive at Mission Prep and are greeted with a handshake.
Breakfast & Bright Work 7:20 - 8:00	After students arrive, they walk to their classroom where they are greeted by their teacher. Students prepare for the day with a healthy breakfast and participate in morning bright work.
Community Meeting 8:00 - 8:15	Students begin the day with a classroom community meeting to positively reinforce academic and behavioral progress. Meetings include class and school chants that reinforce the college-preparatory mission, core values, and culture of high expectations of Mission Prep. *On Fridays, we hold grade-level Community Meetings.
Shared Reading 8:15 - 8:30	Students participate in whole class shared reading experiences to practice reading fluency and phonics skills.
Literacy Rotations 8:30 - 9:50	During this time there are two-teachers in the classroom leading small-group differentiated guided reading and phonics instruction.
Snack 9:50 - 10:00	To ensure students have the energy and sustenance they need to stay focused on learning between breakfast and lunch, we provide a 10-minute snack.
Handwriting 10:00 - 10:15	Students are explicitly taught handwriting skills and have the opportunity to practice those skills daily.
Writing 10:15 - 11:00	Students learn and practice grade level writing of narrative, informative and opinion pieces.
Lunch 11:00 - 11:20	Students will break for 20 minutes daily to eat a nutritious lunch.
Free Play 11:20 - 11:40	Students have 20 minutes for supervised outdoor free time with their grade level.
Read Aloud / Vocabulary 11:40 - 12:10	Teachers read aloud books and focus on teaching advanced reading comprehension and literary analysis skills that include scaffolded questions to engage all students and build higher-level literacy skills.
Social Studies / Science 12:10 - 12:55	Science and social studies units rotate throughout the year. Students learn about their community and history through engaging read alouds and projects. Science units
Enrichment 12:55 - 1:40	During Enrichment, students may attend classes in subjects as Music, Art, Technology, or Spanish Language.
Brain Break 1:40 - 1:50	Students are given a dedicated break time in the afternoon to use the restroom.
Math 1:50 - 3:10	
Physical Education (PE) 3:10 - 3:30	Students participate in daily outdoor physical education. During this time, students learn how to play different sports and games, and reinforces the concepts of fitness, nutrition, teamwork, and fair play.
Choice Time 3:30 - 3:50	During this structure time, students are given a choice of age-appropriate play options.
Pack-Up 3:50 - 4:00	Students reflect on the day by writing in their Learning Logs, then they clean up and pack up in preparation for dismissal at 4:00.
