

Argyle West Elementary School

Welcome to the Wild Wild West Cafeteria!

Parents,

Beginning the week of Sept. 3rd we are ready for you to visit at lunch. Students have been working on learning our procedures and expectations in the cafeteria. Parents and guests are now welcome to join us. We want to make sure you know the procedures to help reinforce those when you are here.

Our teachers on duty need your help and support to be the best example for our students. If teachers need students' attention, they need your attention as well. We want to make sure all students hear and understand the directions so please help all children follow their lead.

Cafeteria Expectations

- Plan to arrive early so that your child does not become worried and you can enjoy the entire lunch with your child.
- We only eat our food - no sharing with others.
- If you bring outside food, only bring food for your child.
- We sit at our assigned tables.
- Pictures may be taken of your child only by stepping away from the tables.
- No cell phones or other electronic devices can be used at the lunch tables. Please take calls outside if necessary. Children may not play games or watch videos on your device at during lunch. We want them visiting with you.
- Please do not feed your child.
- Students must stay at school after lunch. If your child cries, reassure him/her you will see them after school and exit quickly to avoid the situation from escalating.
- We all clean our own mess.
- We walk with hands and feet to ourselves.

Parents and visitors can sit at the bistro tables along the windows or at the tables on the stage. Visitors should dismiss when classes begin to clean up and children will return to their teacher's table.

We look forward to seeing you!

Sincerely,

Renee Funderburg
Principal
Argyle West Elementary
