

Dear Parents:

As I return from maternity leave, I want to sincerely thank Sherre Vernon for serving as our Interim CEO for the past six weeks. While the circumstances were not ideal, I could not have asked for a stronger leader to unite our amazing community. Sherre will continue to support Thrive as our Chief Academic Officer.

Many of you have expressed your desire to keep fighting for our community and our school. Know that we are right there with you and will not give up as long as there are children who need our support and parents who are on our side. You should have received an email from us about re-enrollment for next year. Please respond to the form in that email to help us in planning our next steps. That being said, we know this is an uncertain time for Thrive, and in order to keep you as informed as possible while we determine our next steps, **we will be starting weekly parent updates and creating a page on our website for easy access to the most up to date information.**

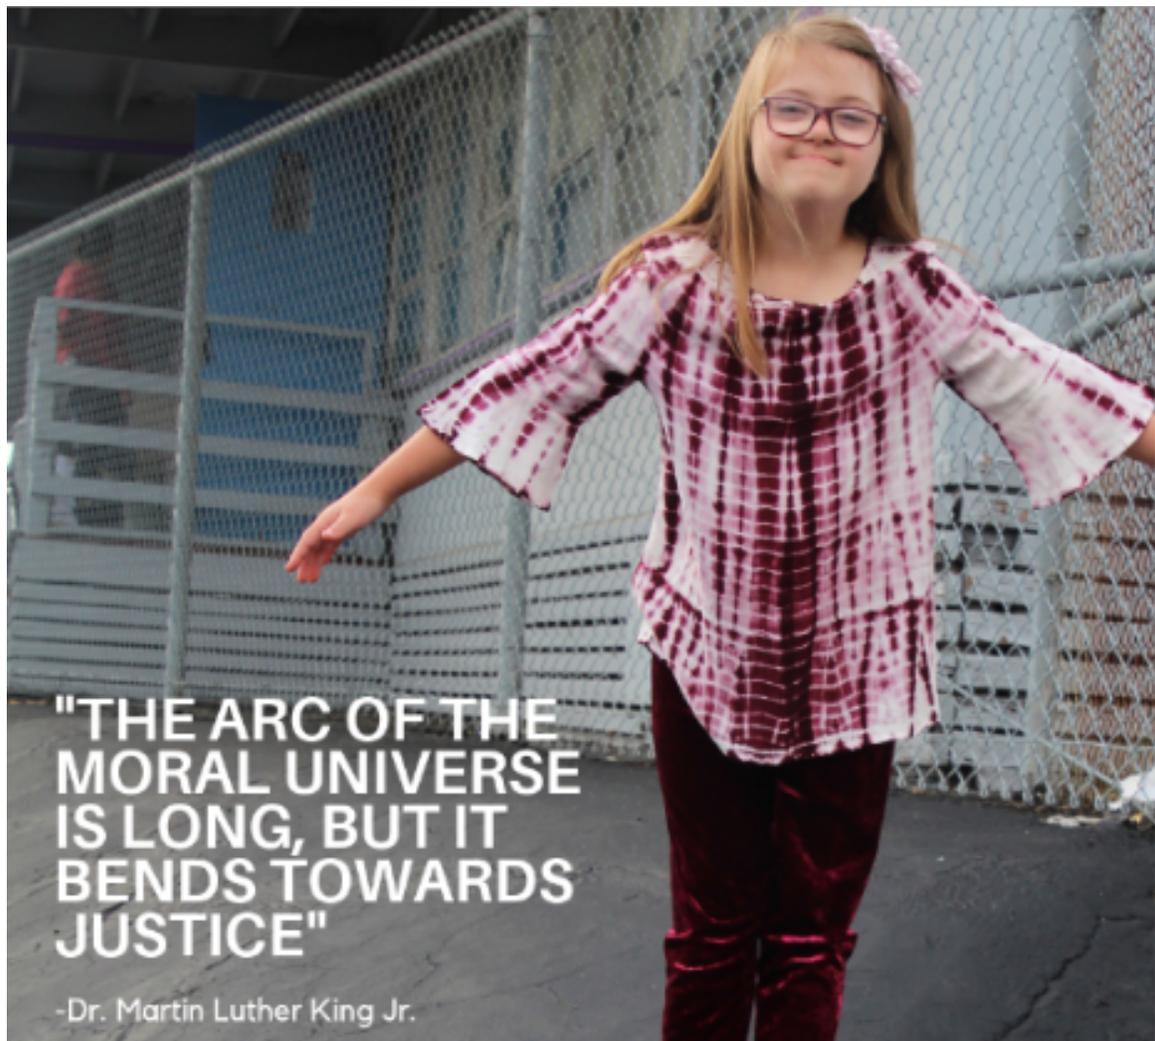

While we remain steadfast in our resolve to serve you next year, we always want you to have options. Because of this, we are working with charter schools, district schools and private schools to host an enrollment fair with schools that could have spaces to serve you should we not be able to. More details on that soon.

Be on the lookout for your update next week. And as always, please do not hesitate to reach out to any of us if we can be of service.

Have a great spring break,

Nicole Assisi

CEO
