ACADEMIC PLAN

Sometimes called a 4-Year Plan

3 ways to add classes to your Academic Plan
Aeries Portal > Classes > Academic Plan

There are three ways to add classes:

1. By Subject – You can add your courses by choosing the subject area first then going to Course to choose one of the options from the list.
2. By Course – You can type in the name of the course you want to add. Some courses are abbreviated so it might be a little difficult to search for courses this way.
3. **By Grade** – You can select a generic packet then customize it to fit your specific classes. This is the easiest and quickest way to add classes.
SO WHAT’S NEXT

Submit your Academic Plan by September 30th & wait for your counselor to call you in to review it.
THANKS!
